

Compacted Integrated Math/ Integrated Math Course I **College Admission requirements (a-g)**

Math sequence is:

- 7th grade - 2 years of math (Math 7 & Math 8) compacted in 1 year
- 8th grade- Integrated Math Course I
- Fast pace and rigorous course work.

If interested, you **MUST** take the Mathematics Diagnostic Placement Test (**MDTP**).

- Math testing dates are scheduled for April 15, 16 & 24 at 3:30 p.m. at the EastLake Pavilion.
- There is no sign-up, just show up to the Pavilion
- The math testing average time is about an hour and a half. You may choose one of the 3 dates available to test
- While the student takes the test, parents will be meeting with the administration in a classroom to get more information about this advanced math course. It is not mandatory for parents to come.

Ms. Glaser (math teacher) will be administering the math test.

If you have any questions contact Ms. Dalila Espinosa, Counselor at dalila.espinosa@sweetwaterschools.org or 619-591.4023. The administrator in charge is Dr. Shannon Chamberlain at Shannon.chamberlain@sweetwaterschools.org
